CTG Federal Secure Warehousing, Integration & Deployment Services

End-to-End Secure Logistics & Integration for Mission-Critical Programs

CTG FEDERAL
a Cohesive Technology Group company®

CTG Federal (CTG) delivers a purpose-built, secure logistics and integration platform designed to support complex federal programs where control, compliance, and execution certainty are mandatory.

Our warehousing, integration, staging, and deployment services extend CTG's role well beyond a traditional value-added reseller. We provide customers with a single source for asset custody, preparation, configuration, and delivery across the full program lifecycle.

What We Deliver

SECURE ASSET CONTROL

- Controlled access, monitored facilities
- End-to-end chain of custody
- Serialized asset tracking and reconciliation
- Audit-ready documentation and records retention

INTEGRATION, STAGING & DEPLOYMENT READINESS

CTG transforms OEM equipment into deployment-ready systems before it reaches the field—reducing site labor, minimizing installation errors, and accelerating time to mission.

- Custom packaging and repackaging
- Program-specific labeling and compliance marking
- Asset tagging, serialization, and UID support
- Configuration staging and localization
- Kit assembly by site, rack, or deployment wave
- Documentation alignment with customer and OEM requirements

All activities are performed within CTG's controlled logistics environment, preserving asset integrity, chain of custody, and audit readiness from receipt through deployment.

TRANSPORTATION & DEPLOYMENT

- Small parcel, LTL, FTL, and white-glove delivery
- Scheduled, time-definite, and just-in-time fulfillment
- Carrier coordination and routing guide compliance
- Consolidated shipments by site or deployment wave
- Verified delivery and proof-of-delivery tracking

LIFECYCLE & SUSTAINMENT SUPPORT

- Order allocation and prioritization
- Exception management and escalation handling
- RMA processing and returns management
- Inspection, testing, grading, and refurbishment coordination

IMPORT, EXPORT & TRADE COMPLIANCE

- Customs broker and freight forwarder coordination
- Commercial invoices, export documentation, and manifests
- Records retention and compliance checkpoints
- Support for international and regulated deployments

A trusted advisor specializing in smart, secure, and scalable solutions

CTG FEDERAL

Why CTG Federal?

EXCECUTION CONFIDENCE
CTG maintains custody and visibility of program assets from receipt through deployment—eliminating hand-offs, reducing risk, and improving delivery reliability.

COMPLIANCE BY DESIGN
Our logistics and integration operations are built to support regulated environments, audit requirements, and contractual obligations without introducing friction or delay.

OPERATIONAL EFFICIENCY
Pre-deployment integration, staged rollouts, and consolidated shipping reduce site-level labor, lower total program cost, and accelerate field execution.

SCALABILITY WITHOUT FRICTION
CTG's platform scales seamlessly—from targeted pilot deployments to large, multi-site national rollouts—without changing partners, processes, or controls.

OEM-ALIGNED DELIVERY MODEL
CTG operates as an extension of OEM delivery and integration models, supporting manufacturer requirements, specialized handling, and coordinated deployment strategies.

Designed for Mission-Critical Outcomes

CTG Federal's secure logistics and integration capability strengthens our position as a trusted partner for agencies, integrators, and OEMs supporting high-consequence environments.

Whether supporting staged federal deployments, enterprise refresh programs, or complex multi-location rollouts, CTG delivers deployment-ready systems with the control, transparency, and execution discipline required to succeed.
